D.A.M. Salsa was served to our customers at La Casa de Rios, our family restaurant in Southeast Portland, from 1972 to 1984. A traditional New Mexican recipe, it has always been a favorite in the Martinez household. D.A.M. Salsa is now available in selected stores. It is the same recipe, still made with the same attention and care as it was years ago when we proudly served it to our friends and patrons at La Casa de Rios.

Sincerely,

David A. Martinez
